Filter Warranty

ADHI (Aquatic Design Habitats, Inc.) Offers a limited 3 year warranty on all manufactured acrylic filter units. Our acrylic filters are guaranteed to be free of defects in materials or workmanship for 3 years from original purchase date. This warranty is nontransferable and is only available to the original purchaser who has completed a product registration form and has maintained original receipt. Under this warranty ADHI will repair or replace, at its option, a product that under normal use is proven to be defective in materials or craftsmanship. For this warranty to be valid, any defective product must be returned by the original purchaser, freight prepaid, to ADHI, and allow ADHI reasonable time to verify alleged defect by inspection. ADHI will not be responsible for any defect determined to be caused from misuse, abuse, modification, alteration, or attempted repair from anyone other than a certified ADHI technician. Under no circumstance will ADHI be held responsible for any damages caused by defective products or for incidental or consequential damages, or for loss incurred from manufacture, sale, use, or misuse of these products. This warranty is ADHI's sole warranty and sets forth the customer's exclusive remedy, with respect to defective products; all other warranties, express or implied, whether of merchantability, fitness for purpose, or otherwise are expressly disclaimed by ADHI.
